Modernisation of public sector cement units

1493. SHRIMATI RENUKA CHOWDHURY:
SHRI MUKHTIAR SINGH MALIK:

Will the Minister of INDUSTRY be pleased to state:

(a) whether there is any proposal under Government's consideration to modernise the cement units in the public sector;

(b) if so, what are the details thereof;

(c) how for it is likely to increase the production of cement; and

(d) what are the financial implications involved therein?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (d) Cement Corporation of India (CCI) is the only Central public sector unit engaged in the manufacture of cement. CCI have streamlined and strengthened the activities of their R&D centre. CCI have plans to incorporate secondary firing system, precalcinator, conversion etc. to modernise their plants. Besides modernisation measures, as above, wherever possible, replacements are proposed by modern equipments. CCI have also plans to introduce energy savings by incorporating low temperature salt technology in its various plants. It is difficult to precisely indicate, at this stage, the increase in production of cement as also the financial implications as a result of these proposed measures.
